Brief stories or anecdotes that speak to God's 50-year love affair with New Jerusalem.

Planting Trees in Honor of the 50th

To honor this event in the spirit of our Franciscan roots, please consider making a donation for tree-planting using this link:

<https://shop.arboday.org/commemorative>

The tree(s) can be planted in our forests or elsewhere in the world. The link allows you to have the tree planted "in honor of..." So whether you name our founder, a circle of spiritual companions, a ministry you were in, someone who impacted your faith journey - make this gift and send an email to Chris (chrisauer@fuse.net) so that she can collate the tree-giving information to share during our gathering.
